Message from the Board

Dear JRCW members:

We had a great time at the Jain picnic on August 22nd. Lots of new people had an opportunity to network with others in our Jain group. We hope these connections will continue and support Jain activities for young and old alike.

Soon we will be celebrating Paryushana and Das Laxana. As you know in our unified group we bring Digambar scholars during Paryushana and Swetamber scholars during Das Laxana. The Digambar scholar is Dr. Abhay Dagade coming from India. Besides being a practicing physician in Dhule, Maharashtra he also is well respected Jain scholar. The Swetamber scholar is Shri Chandrashekar Guriji, one of the famous personalities in spiritual world coming from India. A short introduction of both scholars is as follows.

We are very proud to be able to bring scholars of this caliber to our community. Please help us in welcoming them to our town for the first time by participating in each of the activities shown in the enclosed calendar. Also please help in hosting these guests at your home if you would like to have such an honor.
